According to the US Geological Gauges, the water level for Lake Koshkonong is 8.02 feet. County ordinance requires a slow-no-wake speed restriction be placed on the Rock River when water levels exceed 8.0 feet in Lake Koshkonong.

The Sheriff's Office is providing public notice of the Rock River's current slow-no-wake status. Deputies will begin placing slow-no-wake signs along the river at all public access points between the northern Rock County line and the Indianford Dam.
